Elk’s First Responder Lunch

The Chicago South Elk’s Lodge 1596 hosted its annual First Responders Luncheon on September 13th this year. Fire Fighters and Police officers from Crestwood and surrounding communities are invited each year for a free luncheon by the Lodge as a way of thanking them for their service and showing support for the lifesaving activities they engage in each and every day.

Cook County Commissioner Joan Patricia Murphy to Be Remembered

Just prior to closing this edition of the *Crestwood Adviser*, our Cook County Commissioner Joan Patricia Murphy of the 6th District passed away. Her loss is great to both family and constituents, and is resonating with other agencies that she championed, assisted and represented. The *Crestwood Adviser* pledges to cover Joan’s dynamic career in our November issue, sharing with our readers the depth of the Commissioner’s commitment to family and public service.

Letter From Mayor Lou Presta

Greetings!

October is the month when we say goodbye to the warmth that summer has brought and prepare for the winter ahead. It is also the month when children will be out trick or treating in our village. Please be extra vigilant when driving through our neighborhoods. The excitement of treats sometimes makes children forget to look before running across our streets.

October is also the time when we should prepare to keep our sidewalks and driveways clear of snow during the winter months. If you are a senior, or you know of a senior that is in need of help in removing snow, I invite you to contact your Village Hall where we keep a list of young men and women who are looking to earn extra money by shoveling snow. We will be happy to match your needs with one of these job seekers.

I want to remind everyone that for the first time, Crestwood has early voting available in our Village. I and your Village Trustees worked hard to bring this service to our village so that our citizens can cast their vote locally and with greater leisure. This is especially convenient for our seniors who may have difficulty waiting in line at the polls on Election Day. If you need transportation for early voting, just call the Village Hall and we will have someone pick you up at your home, take you to the polls and return you home at no charge. Voting is the single greatest right afforded to citizens of the United States, and we want to ensure that every citizen of Crestwood has full access to that right.

As most of you know, the work on repaving of Cicero Avenue is underway and while we all must suffer through a bit of inconvenience during the construction period, I am sure you will agree it was worth it once the work is completed. Cicero Avenue

is the main artery through our village, and we have great plans to modernize the avenue and make the curbsides much more appealing for our residents and visitors.

Speaking of elections, this November, Crestwood residents will have the opportunity to approve term limits for local elected officials. I and every elected Village Trustee supports this initiative. Please remember to cast your vote for this important referendum that will help to ensure that Crestwood hosts the opportunity for the brightest and best to lead our village.

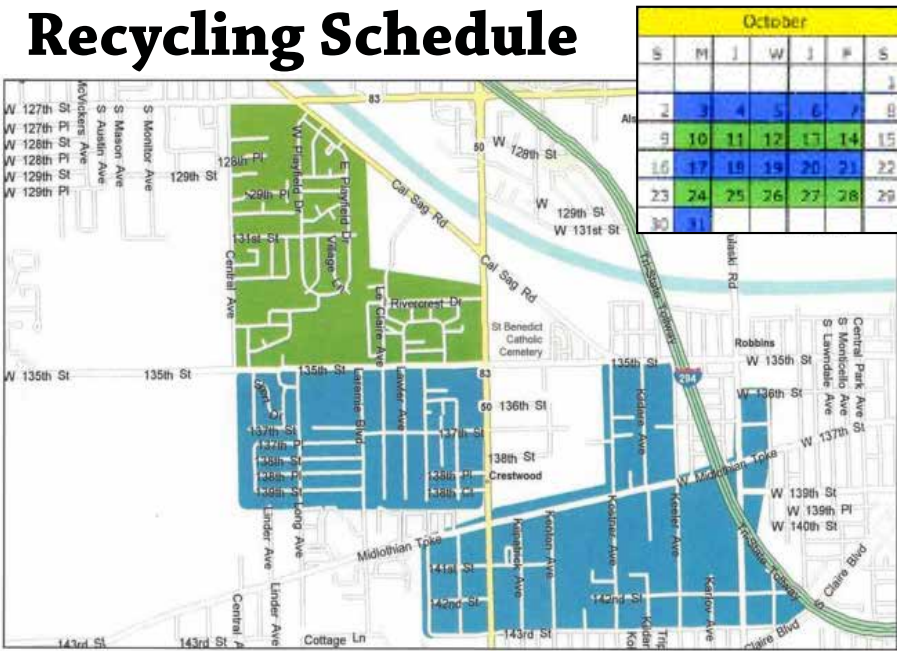

There are always predictions made each year for the amount of snow we should expect, and this year most predictions are for heavier than usual snowfall. While none of us knows if those predictions will ultimately prove accurate, we do know that when snow falls, our streets need to be kept clear so that emergency vehicles can, if necessary, move quickly throughout our village. For this reason, keep in mind our Village Ordinance requiring no parking on most village streets overnight.

But before the cold comes the harvest, and for now, fresh locally grown squash, pumpkin and the last of Illinois fresh-grown corn is still available at local markets and farm stands. I hope you take advantage of this great benefit we enjoy here in Illinois, and stock up while these fresh vegetables are available.

Sincerely,

Mayor Lou Presta

Recycling Schedule

Early Voting Coming to Crestwood’s Biela Center

The upcoming presidential general election on Tuesday, Nov. 8th, is expected to be historic, as is its turnout. To prepare for the anticipated record numbers, the Village has taken steps to ensure the opportunity for early voting in the weeks immediately prior to Election Day.

Early voting in Crestwood will take place at the Biela Center (4545 Midlothian Turnpike) and will run from Monday, Oct. 24th through Monday, Nov. 7th, Sundays included.

Early voting hours will be as follows:

Monday-Saturday	9:00am-5:00pm*
Sundays	9:00am-3:00pm

*Note: The legislation passed last summer concerning early voting included a provision for early voting sites to stay open until 7:00pm the last week of early voting. Further confirmation on these hours is expected later this summer.

Mobile Driver Services Facility Coming to Biela Center

If you’re looking to renew your driver’s licence or state ID card but are not looking forward to standing in line at the Department of Motor Vehicles, your lucky day is not far off. **Monday, Oct. 17th, 2016**, from **10:00am-2:00pm**, Secretary of State Jesse White’s Mobile Driver Services Facility will be at the Biela Center (4545 Midlothian Turnpike, Crestwood) to expedite the following services:

- *Driver’s license/state ID renewal, replacement or corrections*
- *Vision screening (with driver’s license renewal)*
- *Vehicle sticker sales (license plate stickers)*
- *Motor voter registration*
- *Organ/tissue donor information and registration*

Those looking to renew a current Illinois driver’s license or state ID must present a valid driver’s license or existing ID card. To apply for a duplicate or corrected driver’s license or ID, you must present two forms of valid identification. For detailed information about acceptable forms of identification, please call **(217) 782-7044** or visit **www.cyberdriveillinois.com**.

Public Notice - Village Parking

Crestwood Village ordinance prohibits parking on any village street between 2am and 6am. The reason for this ordinance is so police will be alerted to abandoned vehicles or suspicious vehicles that require investigation. This ordinance also ensures that all streets throughout the Village will be open to

fire and rescue equipment in the event of an overnight emergency. This is especially necessary in areas where narrow streets can block large fire trucks. We will continue to enforce this ordinance. Thank you for your cooperation with this ordinance. The initial fine for this violation is \$75.00. This is a Village-wide ordinance. **PLEASE BE SURE THAT YOUR LATE NIGHT AND OVERNIGHT GUESTS ARE MADE AWARE OF THIS AS WELL!**

Cook County Seeking Poll Workers for Election Day

The Cook County Clerk’s office is looking for community members to serve as suburban poll workers for the Nov. 8th, 2016, Presidential Election. This is a unique opportunity to learn about the election process, strengthen local democracy and to get paid for your service.

Two positions are currently available for those interested: **Election Judge or Equipment Manager.**

Election Judges and Equipment Managers both assist voters and ensure that the polling place is running smoothly. Equipment Managers are also responsible for setting up and maintaining the voting equipment. Due to the additional responsibility,

Equipment Managers receive more training and higher pay.

- Election Judges earn **\$175.**
- Equipment Managers earn **\$325.**

Both positions require that you are:

- A U.S. citizen
- Either a registered voter of Cook County **OR** a college/law student

Bilingual judges are always needed.

Election Judge Requirements:

- Complete an online and hands-on training class.
- Set up the polling place with your fellow judges before Election Day.

- Voters are served from the time the polls open at 6:00am until they close at 7:00pm.
- However, Election Judges work together with their fellow judges from 5:00am on Election Day until the results are transmitted and the equipment has been packed up at the end of the night.

Equipment Manager Requirements:

- Have access to a car and a cell-phone on Election Day.
- Complete a three-part training class and pass an open-book test at the end of each segment.
- Complete an online training course.

- Be willing to work outside your home area in suburban Cook County (Note: Equipment Managers will be placed as close to home as possible, but in some cases may need to travel.)
- Set up the voting equipment (with assistance) before Election Day.
- Assist voters and manage equipment from 5:00am until the results are transmitted and the equipment has been packed up at the end of the night.
- Deliver materials from your precinct to a nearby receiving station

Visit cookcountyclerk.com/judges or call (312) 603-0965 to learn more or to submit an application.

Law Enforcement Agencies Joined Forces for Special Traffic Enforcement Effort in Illinois Route 83

The Crestwood Police Department joined forces with the Clarendon Hills Police Department and other law enforcement agencies along the Illinois Route 83 corridor through Cook and DuPage Counties in a special traffic safety campaign Friday, Sept. 30th, 2016. The purpose of the campaign was to increase the safety of motorists utilizing the thoroughfare through education and traffic enforcement.

Our efforts were concentrated on speed, occupant restraint violations, driving under the influence and other safety violations observed during our enforcement. Every municipal police agency with jurisdiction over Illinois Route 83 was invited to participate in the traffic safety campaign. Each jurisdiction was asked to implement its own enforcement action based upon the needs of its community.

We Watch, We Call!

Mayor Presta and the Board of Trustees have heard the requests of many to report crimes in our Village. Working with our Police Department, a compiled snapshot of a month’s reporting will be shown here in the Adviser. Our intent is to inform the public in order to protect and be vigilant in calling upon our Police. The Mayor urges all to stay tuned in to your neighbors’ well-being and property. Call our police, report suspicious activity, be aware. (911 or Dispatch non-Emergency 708-385-5131).

Criminal Damage

8-13-2016: A resident reported that a suspect had damaged the tires on several vehicles that were parked in a driveway in the 132nd block of East Playfield Drive.

Crestwood Police Participate in ‘Click It or Ticket’

Over Labor Day weekend (Friday, Sept. 2nd from 3:00pm through Monday, Sept. 5th at 9:00pm), the Crestwood Police Department participated in the “Click it or Ticket it” traffic safety initiative throughout the Village.

Officers made 97 traffic stops, resulting in 106 citations being issued. Forty-six of these were for seatbelt violations and 11 for distracted driving (cell phone use), and 10 warnings were issued. Thirty-eight state tickets were issued for speeding, disregarding stop signs, etc. Seven traffic arrests were made for driving while suspended or revoked, aggravated speeding, no driver’s license, and a warrant.

During the initiative, police officers were armed with “Freeze Pops” that were distributed to children — and some adults — throughout the Village. The nearly 1,000 Freeze Pops were donated by local businessman Mark Kozeluh, owner of Public Safety Direct.

Remember, obey traffic laws. Watch out for children. When coming to a red light, make a complete stop. Be safe!

Crestwood PD Heads Up Bicycle Recycle Drive

The Crestwood Police Department has teamed up with a bicycle recycling program that takes used and unwanted bicycles, restores them and then donates them to children or people in need. This program is attempting to stock up before the holidays in the hope of providing bicycles as gifts — in some cases, the only gift a child will receive. **All bike sizes are needed.**

Please bring your donation to the Crestwood Police Station Oct. 21st-24th, or call (708) 371-4800 x5002 to arrange a pickup.

Crestwood to Install Emergency Vehicle Pre-Emption Equipment

Seventeen key controlled intersections in the Village of Crestwood will have Emergency Vehicle Pre-Emption (EVP) equipment installed for the purpose of alerting motorists of approaching emergency vehicles. Their installation will require no excavation, and can be achieved using existing conduits, handholes and controller cabinets, minimizing the project’s expense. Federal monies will cover 80 percent of the estimated \$185,000 project.

Residents will be familiar with the system, which typically features a flashing white light atop the signal light at a controlled intersection, warning all in the vicinity that an emergency vehicle responding to a call is nearby and potentially about to pass through the intersection. When operating as designed, the system affords precious time to first responders and the people they are seeking to assist.

- Studies show that an effective EVP system improves emergency response times by an average of 20 percent, while simultaneously reducing crashes at intersections.
- Improves safety by eliminating priority conflict at the intersection, offering “first-come, first-served” authorization.
- Validates emergency vehicle status and authorizes signal pre-emption, ID’ing vehicles with time stamp and activity log and protecting from unauthorized devices.
- Provides data logs for liability identification and diagnostic capability.

We look forward to the full implementation of this system so that our first responders are able to still better serve our community.

What’s New at the CRWC in 2016?

Picture of the Mayor with CRWC Members and Village employees celebrating the re-opening of the pool and locker rooms.

Fall into fitness! It’s never too late to get in shape.

Thanks to Mayor Lou Presta and the Village Board for allocating the funds to enhance the overall look and feel of both locker rooms and the pool deck at the Crestwood Recreation & Wellness Center. Some of the enhancements include:

- New lockers in both locker rooms.
- New tile both the men’s and women’s showers.
- New fixtures in both the men’s and women’s showers, which has increased the water pressure tremendously.
- Both locker room floors have been resurfaced.
- The floor in the pool area has been resurfaced.
- Both locker rooms have been repainted and the benches have been re-stained.

Thanks to the Village of Crestwood – Public Works Department (Bob Graffeo, Jim Rickey and John O’Meara), Jamie Cluckey, CRWC Recreation Coordinator and Manny Galindo, CRWC Maintenance Supervisor for their hard work and dedication on this project. The renovation looks great!

In March of this year, new carpeting was installed in the fitness center, and several new all-in-one cardio machines arrived that offer multiple movement patterns to increase calorie burning, endurance, power and strength.

At the Crestwood Recreation & Wellness Center (CRWC), you’ll find fitness, recreation and aquatics all in one place. They offer affordable month-to-month, six-month and yearly memberships for Crestwood residents and non-residents. Memberships start as low as \$20.00 per month. You choose the membership that’s right for you!

The 40,000 square foot indoor facility offers a wide variety of year-round fitness, recreation and aquatic opportunities for all ages:

- A five-lane, 25-yard indoor lap pool, whirlpool, fitness center, sport courts, and indoor track
- State of the art fitness and cardio equipment
- Cybex strength training machines, free weights and dumbbells 3 to 100 pounds
- Newly renovated locker rooms and showers
- Three-lane 1/10 mile indoor running track
- Three full-court basketball/volleyball courts

Make a splash in the indoor pool!

- Over 20 water fitness and group exercise classes per week
- Lap, senior swims and family swims and aqua volleyball
- Swim lessons for kids and adults (beginner to advanced)
- Whirlpool (18 years and older)

Unleash your inner athlete!

The CRWC also offers a variety of programs and activities:

- Zumba Fitness, Yoga, Tai Chi, Boot Camp and Self-Defense classes
- Massage Therapy and Personal Training
- Cardio kickboxing and Pump It Up exercise classes
- Drop-in volleyball for adults and open gyms for members
- Youth basketball, indoor soccer and girls’ volleyball leagues
- Parent/tot and youth sport classes and leagues for ages 2 through 10 years of age
- Expanded kids programming for 3- to 6-year olds.

The benefits are endless at the CRWC. Here are just a few examples:

- The water walking and arthritis classes offered at the CRWC focus on balance and range of motion. They are all done in a low impact setting, but can easily be altered to a higher impact if desired.
- For a heart-pumping workout, the CRWC offers aqua fitness and cardio splash classes in the morning and two nights a week. Using noodles or water weights along with higher impact moves, anyone can burn some serious calories.
- From lowering blood pressure and blood sugar to eliminating reasons for joint replacement, to just meeting friends and having fun, the Crestwood Recreation & Wellness Center is an energetic, uplifting, healthful way to play!
- The CRWC has no enrollment fees, no initiation fees and no contracts, with the most affordable prices in the area. Stop by the facility at 135th & Long Ave to see what they’re all about. They are truly a fitness and aquatic facility designed around you!

For more information about their memberships, programs and activities call the CRWC at (708) 371-4810, log on to www.CrestwoodFitness.com or find them on Facebook; www.facebook.com/CRWC1.

A.P. Scholars Nearly Double at Shepard

Shepard High School proudly announces that 61 of its current students or May 2016 graduates qualified as Advanced Placement Scholars. This nearly doubles the total last year of 33.

The College Board's Advanced Placement Program offers students the opportunity to take challenging college-level courses while still in high school, and to receive college credit, advanced placement or both for successful performance on AP exams.

The College Board honors outstanding performances on AP exams with several levels of recognition. The following students received recognition as A.P. Scholars.

A.P. Scholar (scores of at least 3 on three or more exams) – Randall Barnes, Mark Bomberry, Ahniya Butler, Kevin Callahan, Sara Campione, Victoria

Castanon, John Clohessy, Dylan Doidge, William Fitzgerald, Matthew Gibson, Alex Gowaski, Abigail Graham, Caroline Graham, Ahmad Hamdan, Karsyn Hettlinger, Taylor Hoekstra.

Also, Max Jones, Connor Kapala, Tim Kruse, David Lawondo-Reddy, Troy Magpantay, Tom McInerney, Ben Meyer, Joe Monahan, Angeline Schulist, Abigail Schultz, Margaret Sera, Oluwatobi Sogebi, Maulika Thakkar, Emma Toomey, Hannah Vasil, Stephanie Wasag, Caleb Washington, Hayden West, Marley Wiest, John Wolniak, Talah Womack-Hayes, Kendall Yerkes.

AP Scholar with Honor (average score of at least 3.25 on all exams, scores of 3 or higher on at least four exams) – Daniel Becker, Victoria Churin, Anthony Crespo, Michael Cuzco, Alison Elzinga,

Michael Graham, Ednan Gusic, Valeria Hernandez, Hannah Horstmann, Tim Komperda, Jacob McGrath, Paul Milkus, Aleck Poradowski, Janet Santoyo, Zach Sierzaga, Saul Tototzintle, and Jacob Zuiker.

AP Scholar with Distinction (average score of at least 3.5 on all exams and scores of 3 or higher on five or more) – Natalie Bruce, Veronica Jacobson, Jacob Nolan, Nathan Sanchez, Kylie Sterling, and Jacob Vander Weele.

Most of the nation's colleges and universities award credit, advanced placement or both based on successful performance on the AP Exams. More than 1,400 institutions award a full year's credit (sophomore standing) to students presenting a sufficient number of qualifying grades.

More than 60 students from Shepard High School qualified as Advanced Placement Scholars this year. Pictured are the current seniors who earned A.P. Scholar, A.P. Scholar with Honor, or A.P. Scholar with Distinction awards.

Shepard JROTC Remembers 9/11

On Friday, Sept. 16th, Major Dan Johnson, MSGT Chris Saberniak, and the U.S. Air Force JROTC students from Shepard High School shined brightly.

They worked for weeks to organize an event reflective of the resilient spirit of America in their remembrance of 9/11.

Starting early in the morning, students walked 14 miles around the track. They raised money for The Heart of a Marine Foundation, an organization that supports veterans of all American military branches.

JROTC students also read the names of all victims of the terrorist attacks on that horrible day.

Shepard High School JROTC students salute during the performance of the National Anthem prior to the walk-a-thon fund raiser supporting Heart of a Marine Foundation. The fund raiser was part of the JROTC program's remembrance of 9/11.

(Left) MSGT Chris Saberniak, one of the JROTC instructors, talks with students at registration. These students tracked the walkers raising money for Heart of a Marine Foundation. Each student who completed the 14-mile walk will receive a ribbon from the U.S. Air Force JROTC national HQ for their achievement. (Right) Students today read the names of all victims who perished on 9/11. USAF JROTC cadet Perry Wilson reads the names as Lily Minet and Tyler Harvey provide guard service.

Shepard Winter Arts/Crafts Show Still Seeks Vendors

Alan B. Shepard High School (13049 S. Ridgeland Ave., Palos Heights) is still looking for artists and craft enthusiasts to participate in its 2016 Shepard Winter Arts/Crafts Show. The event will take place Saturday, Dec. 3rd, 2016, from 9:00am-3:00pm, sponsored by the Shepard Athletic Booster Club.

Exhibit space is currently available. Spaces are approximately 10 feet long and 8 feet deep. Rates for spaces are as follows:

Wall and Corner Spaces: \$80

All Inside Spaces: \$60

Wall Only: \$10

Tables 6 feet long may be rented for \$10.00 each, or vendors may bring their own.

All exhibitors will be in the gymnasium. A photograph reflecting your craft and display is requested. NO FLEA MARKET OR STORE-BOUGHT ITEMS WILL BE ACCEPTED. The event organizers reserve the right to turn away exhibitors at the door or remove any questionable items that do not meet the event criteria, even after set-up, and with no refund. No items that resemble weapons will be allowed, per school policy.

Setup will take place on Saturday morning at 6:00am. Crafters are asked to park on the north side of the property in the tennis court parking lot, or at the south end of the football field gravel area. Concession items will be available all day. Publicity and advertising for the event will be handled by Shepard Athletic Booster Club. Neither Alan B. Shepard High School nor the organizers of this event assume responsibility for loss, damage or theft of any property or exhibit.

Keep Trick-or-Treating Fun AND Safe

Kids, costumes and candy — they’re the trinity of fun for Halloween, and with a bit of preparation and safety-mindedness, you can ensure a happy trick-or-treating adventure for your loved ones. Keep in mind these factors and you’ll always have a safe Halloween:

- S** Soft, short and flexible is the way to go when it comes to swords, knives and other costume accessories.
- A** Avoid trick-or-treating alone. Go with friends and/or a trusted grown-up.
- F** Fasten reflective tape to bags and costumes to ensure that you can be seen by those in traffic.
- E** Examine all treats for choking hazards or tampering before eating.
- H** Hold a flashlight while trick-or-treating at night so that you can see and that others can see you.
- A** Always walk and don’t run from house to house.
- L** Look both ways before crossing the street, and use established crosswalks whenever possible.
- L** Lower the risk for serious eye injury by avoiding decorative contact lenses.
- O** Only walk on sidewalks whenever possible.
- W** Wear well-fitting masks, costumes and shoes to avoid hampered vision, trips and falls.
- E** Eat only factory-wrapped treats. Avoid homemade treats made by strangers.
- E** Enter homes only if you’re with a trusted adult, and only visit well-lit houses. Never accept rides from strangers.
- N** Never walk near lit candles or luminaries. Make sure that all costumes are flame-resistant.

SPOTLIGHT: Crestwood Resident Scales Mt. Rainier

Longtime Crestwood resident Randy Zielke at the top of Washington’s Mt. Rainier on the morning of Aug. 15th, 2016.

Life is an adventure — for some, more than others. Crestwood resident Randy Zielke’s life adventure recently found him scaling to the top of Washington state’s Mt. Rainier, a quest that took considerable training, which he was able to do here in our Village.

“I trained for over 200 hours at X-Sports in Crestwood,” Zielke recalls. “There is no way I would have been able to complete the climb without the weights and cardio machines at a time that is convenient for me. My morning training started at 3:30am and usually ended at 5:00am so I could be at work by 5:30. My workday ends somewhere around 3:30-4:00pm, and then a couple days a week I would stop at the stairs at Swallow Cliff and climb or run them with a 45-lb. weighted vest.”

Zielke, a Village resident of 24 years who has enjoyed the benefits of community life here, says that he finally found himself with the entire mountain beneath his feet on the morning of Aug. 15th. “The climb itself took two days,” he says, “with the final portion of the climb starting at midnight and summiting the 14,410-foot mountain at 6:00am, followed by a brief photo op at the top, and then the long trip down, finally getting to the parking lot at 3:00 in the afternoon.”

Though the climb was more arduous than he had initially anticipated, Zielke is grateful for the local businesses here in Crestwood, which were essential to his successful climb. “I could not have done it without the local business here in Crestwood,” he says, “and am proud to be a resident.”

BICYCLE RECYCLE DRIVE

DONATE YOUR USED BICYCLE TO THOSE IN NEED.

OCTOBER 21st 22nd 23rd & 24th

The Crestwood Police has teamed up with a Bicycle recycling program that takes used and unwanted bicycles, restores them and then donates them to children or people in need. This program is attempting to stock up before the holidays in an attempt to provide bicycles as gifts (in some cases the only gift the children will receive). ALL BIKE SIZES ARE NEEDED.

Please bring your donation to the Crestwood Police station on any of the dates listed or call 708-371-4800 EXT 5002 to arrange a pick up.

Forest Preserves of Cook County Prepares for Fall Trout Fishing Season

The Forest Preserves of Cook County is pleased to announce the 2016 fall inland trout fishing season, opening on Saturday, Oct. 15th, at Busse Reservoir–North Pool (Elk Grove Village), Axehead Lake (Park Ridge), Belleau Lake (Park Ridge), Horsetail Lake (Palos Park) and Green Lake (Calumet City).

The Forest Preserves will be purchasing and stocking approximately 1,000 pounds of rainbow trout for Horsetail Lake, while the Illinois Department of Natural Resources will be providing and stocking 1,255 pounds for Axehead Lake, 1,000 pounds for Belleau Lake, 2,800 pounds for Busse Reservoir and 715 pounds for Green Lake. These are catchable-sized rainbow trout, in the ½-1 lb. size range.

The Forest Preserves’ trout lakes will be closed to all fishing from Monday, Oct. 10th, until sunrise on Saturday, Oct. 15th, allowing the trout to disperse throughout the lakes prior to opening. As part of the IDNR’s stocking program, fishing for and possession of any trout is illegal from Oct. 1st until 5:00am on Saturday, Oct. 15th.

Once the season opens, there is a five-trout-per-day creel limit with no size restrictions. No more than two lines per person with no more than two hooks per line may be used.

A valid Illinois sport fishing license with an Inland Trout Stamp is required for anglers 16 years of age and older. An Illinois sport fishing license is not required for Illinois residents who are disabled and have a State of Illinois disabled I.D. card showing a Class 2 or 2A disability or a Veterans Disability Card, and Illinois residents who are on active military duty and are home on leave.

For a list of all of the lakes and waters open to public fishing within the Forest Preserves of Cook County, visit fpdcc.com/recreation/fishing and download the Fishing Guide. The guide includes maps that show the location and depths of each lake, and list principal fish species.

The public can contact the Forest Preserves’ Fisheries Section at (708) 403-6951 for further information.

I'M BUILT TO EAT

RED-BELLIED WOODPECKERS CATCH AND CACHE WITH EASE

These birds have the tools and techniques to support a varied diet year-round:

- **Sharp tongue:** Extending almost two inches past the beak, their tongues can probe deep into crevices. The barbs at the end of the tongue and sticky spit help pull out any prey inside.
- **Nut cracker:** These woodpeckers place large nuts in bark crevices, then smash them into edible pieces with their beaks.
- **Snack storage:** When insects aren’t plentiful, they depend on food like fruits, nuts and seeds that they can cache and eat later. Having food stashed in different locations across their territory is critical when other sources of food become scarce.

Shepard AP Physics Students Contribute Effort for Unique Native Plant

More than 30 students in Advanced Placement Physics classes from Shepard volunteered with teacher Brian Sievers on Sunday, Sept. 18th, to help preserve the habitat of the *Iliamna remota*, or Kankakee mallow, an endangered species of flowering plant that thrives exclusively on the 700-meter-long Langham Island in the Kankakee River — nowhere else. Other non-native species of plants had begun to spread, overtaking parts of the island where the rare species grows.

Budget issues in the state have meant that the site has not received much care recently. Pat Hayes, who coordinated the work at Langham Island, described the Shepard group’s efforts as “remarkable.”

Thank you, Shepard AP Physics team — we congratulate your spirit and your commitment on behalf of our environment!

Students from Alan B. Shepard High School’s AP Physics classes volunteered last month to help preserve the natural habitat of a rare plant indigenous only to Langham Island in the Kankakee River.

How to Make a Home Fire Escape Plan

- Draw a map of your home. Show all doors and windows.
- Visit each room. Find two ways out.
- All windows and doors should open easily. You should be able to use them to get outside.
- Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- Make sure your house or building number can be seen from the street.
- Talk about your plan with everyone in your home.
- Learn the emergency phone number for your fire department.
- Practice your home fire escape drill!

Ingalls Hospital 2nd in World to Offer Immunotherapy Study for Advanced Colon Cancer

Ingalls Hospital recently became the second cancer center in the world to enroll patients in a new research study that uses immunotherapy to tap into the body’s own ability to fight advanced colorectal cancer.

Approximately 360 patients will take part in this study worldwide. So far, four patients have been enrolled at Ingalls, and all are tolerating the treatment well.

The Phase III clinical trial (NCT02788279, sponsored by Hoffman-Roche) is studying three different chemotherapy regimens — regorafenib, the standard treatment, to cobimetinib plus atezolizumab and atezolizumab monotherapy. At the American Society of Clinical Oncology (ASCO) meeting in Chicago in June, researchers reported that the combination of cobimetinib and atezolizumab was well tolerated and demonstrated promising results.

To enroll in the study, participants must be at least 18 years of age, have locally advanced or metastatic colorectal cancer, and have had at least two previous rounds of chemotherapy.

“Clinical trials like this one present more answers to beat cancer,” explains Mark Kozloff M.D., Medical Director of Ingalls Cancer Care. “The immune system is the body’s natural defense against disease. Cancer cells have a way of inhibiting the immune system. But immunotherapy agents help unleash the immune system’s potential to fight them off in certain types of cancer.

“These are the hot drugs in cancer care right now,” he adds. “And I’m proud to say we’ve been investigating and using these treatments at Ingalls for several years now.”

Ingalls currently offers immunotherapy treatments for malignant melanoma, certain types of lung cancer, and kidney cancer, and is investigating immunotherapy agents to treat esophageal and gastrointestinal/ stomach cancers.

For more information about this and other clinical trials at Ingalls, call (708) 915-HOPE.

Crestwood History: Did You Know?

- When the Village of Crestwood was established and had to be named, possible names were submitted, with the final contenders being Crestwood and Allenwood.
- In September 1928, the Village, comprising about 400 people, was elected for incorporation with the casting of 83 votes.
- Following the counting of the votes in the first Crestwood election, during which William H. Walker won by a landslide, the candidates and their wives attended a banquet given by Mr. and Mrs. P.T. Hayes

with the assistance of Mrs. A.G. Kimball. The menu consisted of “Crestwood Fried Chicken,” “Community Rolls” and “Independent Coffee.”

- The first Village Board meetings were held at the home of President Walker every Thursday evening.

Missionary to Visit Alsip on Behalf of Liberian Children’s Education

Missionary Joe Boway from Liberia, West Africa, will visit Holy Cross Lutheran Church in Alsip on Oct. 16th, 2016. There will be a luncheon in honor of Mr. Boway and his family following the 10:30am service. Mr. Boway is part of the Liberian Children’s Ministry and began developing schools after the 15-year civil war ended in 2004. The goal of the Ministry is to help provide Christ-centered education for the children of Liberia. He was instrumental in developing a writing system for his spoken language, which is Krahn. After the written system was developed, he helped to translate the New Testament of the Bible with the aid of the Lutheran Bible Translators.

Even though poverty and Ebola have affected the region, they have developed 13 schools that provide education and the opportunity to learn about the love of Jesus as their Savior to almost 4,000 children. Mr. Boway will be returning to West Africa with a group of Americans to train more teachers and pastors, and to continue to plan for more schools. They will be back in America Sept. 25th.

It costs \$3,000-\$5,000 to run one school for a year, and \$25 per child to attend for the year. Mr. Boway is available to speak and can be reached at Bowayj@aol.com or through New Life Lutheran Church, 2424 S. Coliseum Blvd., Fort Wayne, Ind., 46803 (tel. 260-420-3024).

Ticket reservations for the free luncheon can be made by calling Holy Cross Lutheran Church at (708) 597-5209. Seating is limited, so please call before Oct. 9th, 2016.

Zielke, Habbal Reach 16-0

Congratulations to Shepard's No. 1 doubles partners Rachel Habbal and Brooke Zielke on another huge win Sept. 26th — they defeated the No. 1 doubles team from Sandburg (a different pair than the one they faced Sept. 24th at the Lincoln-Way West tournament) 6-1, 3-6, 6-2.

"It was a very tough match to play, especially in the high winds," head coach Kelly Myron said. "Both teams were competitive. It came down to mental toughness, an element that is very hard to teach. Brooke and

Rachel kept their focus, especially on big points playing with no advantage." The win may secure the No. 1 seed at Sectionals for Rachel and Brooke. To the thinking of those in Shepard's Athletic Department, no Shepard tennis player or doubles pairing has ever achieved this.

(Below) Crestwood native Brooke Zielke and her partner Rachel Habbal, both Juniors at Shepard, are currently undefeated with a 15-0 record after winning the Lincoln-Way West Invitational last month.

Shepard Staff Makes Great Showing at 'Running With the Bulldogs' 5K

Alan B. Shepard High School had a moment of glory — actually three — at Oak Lawn's 2016 Running With the Bulldogs 5K on Sunday, Sept. 24th. Three of Shepard's staff members took honors at the run. Angie Ochoa was the overall female winner with a time of 21:02; Scot Rybarczyk took 1st place for males 30-34 with a time of 20:59; and Joe Lerner won the male overall with a time of 17:10.

Congratulations, Shepard, and congratulations winners!

(L to R) Scot Rybarczyk 1st place, 30-35; Angie Ochoa 1st among all women, Joe Lerner 1st overall.
